

Customer Declaration of specific use of rebated (Red) Diesel

Change of regulation relating to the use of rebated red diesel apply from 1st April 2022.

To be completed by WCF Fuels North East:

Account name: Account number:
Address: Postcode:

In order to comply with both HMRC and HM Treasury legislation, the user of rebated red diesel is required to declare and sign this form to indicate the intended use of the fuel.

Failure to do so could cause delay in processing your order.

Please complete all three steps below:

Step 1: Allowed uses of rebate red diesel after 1st April 2022. Please tick relevant box below:

- | | |
|--|--------------------------|
| Agricultural, horticulture, fish farming and forestry | <input type="checkbox"/> |
| Rail Transport | <input type="checkbox"/> |
| Fuel used for non-commercial purposes – electrical generation | <input type="checkbox"/> |
| Fuel used for non-commercial purposes – heating | <input type="checkbox"/> |
| Community amateur sport clubs and golf courses | <input type="checkbox"/> |
| Sailing, boating, and marine transport
(excluding private pleasure craft in Northern Ireland) | <input type="checkbox"/> |
| Travelling Fair and travelling circus | <input type="checkbox"/> |

Step 2: Description of equipment being used. Please tick all that apply:

- | | |
|--|--------------------------|
